

## Lincoln Diocesan Guild website

Many visitors and outing organisers use Guild websites as a means of finding contact information for Tower Correspondents. Currently the LDG web site directs enquiries via the Branch Secretaries. Information about TCs' names, addresses and phone numbers is available in the guild's Annual Report.

To comply with the Data Protection Act and to help speed up enquiries, the website committee would like to know what information TCs would be prepared to have published on the web site. Personal email addresses will **not** be published, but generic ones will be allocated, e.g. <willinghambystow@wlb.ldgcb.org.uk>

We would be grateful if you would fill in the pieces of information you are willing to have published on the website. Leave BLANK those you do NOT wish to use. If you do not wish to have any information about TCs on the web site, any enquiries will continue to be sent via your Branch Secretary.
