From LONGWOOD to the WILLS O' NATS (HD9 5PS)

1. Take the cobbled street past Longwood church (**St. Mark's Road**) and turn **right** at the bottom, onto **Church Street**.
2. At the crossroads at the bottom, turn sharply **left** onto **Dale Street**.
3. At the end of the road, turn **right** onto **Market Street** and go under the viaduct.
4. At the traffic lights, go **straight on**.
5. Go over the river, then take the **right hand lane** and turn **right** onto **Yates Lane**.
6. Take the **left hand lane**, bear left onto **Morley Lane** and go uphill.

8. At the end of the road, turn **right** onto **Blackmoorfoot Road**.
9. When you see a "National Speed Limit" sign on the right, turn **left** onto **Blackmoorfoot Road** (signposted "**Meltham 2, Helme ½**").

From the WILLS O' NATS to MELTHAM (HD9 5NN)

1. Turn **left** out of the pub car park.
2. At the end of the road, turn **left** onto the **B6107**.
3. Pass the **church** on the **right**, then turn **left** onto **Huddersfield Road (B6108)**.
4. Pass the **Wagon and Horses pub** on the **right**, then turn **right** onto **Carlile Street** and use the free car park.

From MELTHAM to ALMONDBURY (HD5 8US)

1. Go back up **Carlile Street** the way you came and turn right onto **Huddersfield Road (B6108)**.

5. Take the **3rd road on the right** onto **Albany Road**.
6. With the church on the **right**, turn **right**, go down the hill and park outside the church.

HOME

The best way back is probably to continue down the lane away from the church, being careful not to bear left onto Highfield Lane, then turn **left** onto **Wakefield Road (A642)**. Continue on this road via Middlestown and Horbury, go under the M1 and at the Lupset Hotel, turn **left** onto **Broadway**. At the end of the road turn **left** onto **Wakefield Road (A638)**, straight over all the traffic lights and take the **right hand lane** for the **M1 (for Leeds)**. Then at **junction 42**, turn **right** onto the **M62**.
