

Eastern Branch 6 Bell Striking Competition

On Saturday 2 June 2018 the Eastern Branch held its 6 Bell Striking Competition at St Guthlac's Fishtoft. Five teams entered the Competition which was ably judged by Alan and Joan Payne.

The running order was:

Team 1 - Alford - 64 faults - **FIFTH**

Alford rang call changes. Good use of practice time. Good ringing, unfortunately they gained 7 faults within the first few rounds and took time to settle into a good rhythm. There were patches of exceptional ringing.

Team 2 - Butterwick - 60 faults - **FOURTH**

Butterwick rang call changes. Good use of practice time. Made a good start, settling well but unfortunately deteriorated after half way through. Overall a good ringing.

Team 3 - Boston - 20 faults - **FIRST.**

Boston rang Grandsire Doubles. Good use of practice time. Very good ringing with a strong finish. Good rhythm throughout , faults were scattered throughout piece.

Team 4 - Ingoldmells - 23 faults - **SECOND.**

Ingoldmells rang Plain Bob Doubles. Good use of practice time. Good rhythm but with variations in the leading. The faults were scattered throughout piece. Good ringing.

Team 5 - Coningsby - 38 faults - **THIRD.**

Coningsby rang call changes. Practice time very short due to a short rope and even shorter ringer. Slowest ring of the evening, but the rhythm and leading were very good. Faults scattered throughout. Good ringing.
